

DONG RAN

Career Objective: Data Analysis / Data Operations

Age: 25 | Phone: (+86) 13133288256 | Email: 13133288256@163.com

PROFESSIONAL SKILLS

- **Data Analysis:** Excel, SQL, Python, SPSS, Tableau, Power BI, data cleaning, report automation, interactive dashboards, business diagnosis, attribution analysis
- **Languages & Tools:** CET-4 English, Russian (daily communication); MS Office, Python, SQL, Feishu, Xmind

EDUCATION

Lomonosov Moscow State University **M.Sc. in System Analysis and Management** **2024.09 - 2026.06**

- **Core Courses:** Database Design, System Analysis and Decision Theory, AI Systems and Intelligent Computing, Data Visualization, Data Mining, etc.

Harbin University of Commerce **B.Sc. in Statistics** **2019.09 - 2023.06**

- **Core Courses:** Statistics, Database Principles and Technology, Regression Analysis, Sampling Techniques and Applications, Mathematical Statistics, etc.
- **Honors & Awards:** 2nd Prize (Provincial) at the 12th Zhengda Cup Market Survey & Analysis Competition; University Scholarship; Director of Competition Org. Dept. & Arts Dept. in student associations.

INTERNSHIP EXPERIENCE

China Railway Container (Russia) **Data Operations Intern** **2026.03 - 2026.06**

- **Order Processing:** Coordinated with clients and organized business data on block-train orders, freight rates, and shipment tracking; completed data entry and updates to ensure timely synchronization.
- **Data Maintenance:** Maintained client and business databases; verified profiles, order status, and freight rates to reduce omissions and entry errors.
- **Bilingual Communication:** Handled business emails, documents, and daily communication in Chinese and Russian; supported client coordination and cross-border follow-up.

Hong Kong Wanzhong Technology Co., Ltd. **KOL Operations (Part-time)** **2025.11 - 2026.02**

- **Influencer Sourcing:** Screened, quoted, and communicated with gaming KOLs in Russia/CIS regions; coordinated with 10+ Russian-speaking creators.
- **Campaign Coordination:** Assisted in contracts, payments, ad tagging, creative review, and UA licensing; single-post pricing 3.5K–60K RUB / \$1.2K–\$4.3K.
- **Performance:** Drove 6 KOLs to publish 8 YouTube/Shorts pieces; reached ~268K views and 7,000+ interactions; compiled data for future evaluation.

PROJECT EXPERIENCE

Automated Revenue Reports & Profit Risk Analysis **Project Lead** **2026.05 - 2026.06**

- **Data Preparation:** Consolidated transaction, cost, profit, overdue, and regional data; unified GMV, gross margin, cost ratio, and overdue rate definitions.
- **Automation & Dashboard:** Built weekly Excel reports and a Tableau dashboard (line/bar charts, maps) to track profit, cost risk, regional transactions, and team performance.
- **Diagnostic Analysis:** Drilled into high-cost, high-overdue, low-margin groups to identify abnormal regions and key drivers.
- **Strategy Follow-up:** Adjusted placement and acquisition strategies in high-risk regions; cut acquisition cost by 4.1%, narrowed losses by 6.2%, lowered overdue rate by 2.3%.

User Conversion Path & Ad Attribution **Project Lead** **2026.06 - 2026.07**

- **Path Mapping:** Mapped the Zhanjia (Douyin home & living) live-streaming conversion path: enter → watch → click cart → submit order → pay.
- **Business Breakdown:** Built a swimlane diagram across user, merchant, and platform perspectives; decomposed acquisition, engagement, ordering, and fulfillment.
- **Strategy Output:** Defined GMV metrics (view rate, CTR, order rate, payment rate, AOV, engagement) and prioritized optimization recommendations by cost, benefit, and feasibility.
