INTERNSHIP EXPERIENCE

Mico World | 2026.03 - 2026.06

Russian-speaking Market Operations Intern

- **VIP user operations:** Managed approximately 100 RU V9+ users on TopTop. Established segmented assessments and risk follow-up to identify declining repeat top-ups, sharp spending drops and users selling accounts or leaving the platform.
- **Campaign operations:** Supported VIP Party, birthday gifts, VIP upgrade gifts and Bingo activities. Led 2 official RU feedback-room sessions, each with 400+ core users and room hosts; documented issues, prioritized needs and coordinated cross-functional resolution.
- **Community ecosystem:** Monitored RU room activity and maintained key host relationships. Connected directly with the Top 1, Top 2 and Top 3 hosts; reached many Top 50 hosts and administrators through high-VIP user engagement.
- **User insights & localization:** Mapped holidays, campaign dates and culturally sensitive topics across approximately 10 Russian-speaking/CIS countries and regions. Analyzed 155 high-VIP survey responses and recommended improvements to VIP benefits, room governance, payment rewards and product experience.

China Railway Container Transport, Russia | 2025.11 - 2026.02

Data Operations Intern

- **Order processing:** Coordinated with customers; entered, updated and tracked train orders, freight rates and shipment data to keep information synchronized.
- **Data maintenance:** Maintained customer and business databases; checked customer details, order status and freight rates to reduce omissions and entry errors.
- **Reporting:** Built Excel operational reports on order volumes, shipment progress, customer needs and business changes to support the team.
- **Bilingual coordination:** Handled business emails, documents and daily communication in Chinese and Russian; supported customer coordination and cross-border follow-up.

Hong Kong Wanzhong Technology Co., Ltd. | 2025.09 - 2025.11
